

Guardian Angel Bracelets

Angels are messengers of God, but archangels are a special type of angel. You may find hundreds of angels, but only a few archangels. Archangels can come in and out of all of our lives and can also be called upon to help anyone at anytime. They are unique, and sort of the leaders of angels. But all angels are believed to have been created by God to watch over humans.

Make your own Guardian Angel bracelet to be reminded that angels are always watching over you.

SUPPLIES NEEDED

- Colored beads (3 different colors) - Each student needs 6: 1 of one color, 2 of another color, 3 of a third color)
- Pipe cleaners

PREPARATION BEFORE ACTIVITY

- Separate beads by color

WHAT TO DO

1. Allow each child to select a colored pipe cleaner.
2. Bend one end so that beads do not fall off.
3. Children will string 6 beads onto pipe cleaner based on the poem below. First, read the poem. Then repeat, one line at a time, allowing students to string their beads:

One halo. (*string one bead*)

Two wings. (*string 2 beads, a different color from the 1st bead*)

Glory to the newborn King!

Three parts (*string 3 beads of a third color*)

That matter most,

Father, Son, and Holy Ghost.

4. When done, make into a bracelet and place on child's wrist to remember the significance of today's "Arch Angel" lesson.
