Instructions:

1. Before class use a ruler to mark off four-inch sections on the pool noodle.

3. Cut a slit at the rounded top of the holder lengthwise across the center of the cylinder about 1/2" deep. Use this slit to hold Bible verse card.
4. Print out the Bible verse cards onto card stock. Cut out.
OR have older students copy the Creed onto an index card.
5. On the backside, of the card, have students write: **The Creed (Havadamk)**
6. Allow students to decorate their noodle card holder.
