

# Crafty Spiral Serpent

*(Paper Plate version)*

## MATERIALS:

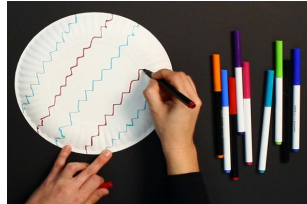

- Paper plates
- Glue
- Markers
- Red construction paper
- Hole punch
- Yarn, string, ribbon
- Scissors
- Wiggly eyes (optional)

## INSTRUCTIONS:

1. **Decorate:** On one side of your paper plate, copy words and/or scriptures from the story of EXPULSION, (Adam, Eve, Garden of Eden, Serpent, Fruit, Temptation, etc.).

2. **Decorate:** Color/design the other side of your paper plate any way you like.

3. **Draw a spiral:** Draw a spiral starting on the outside and ending in the center.

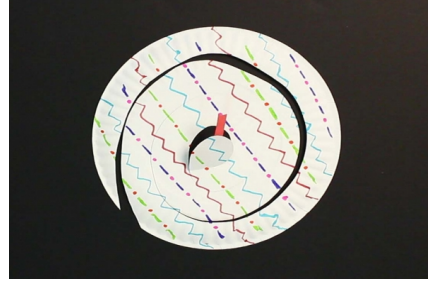

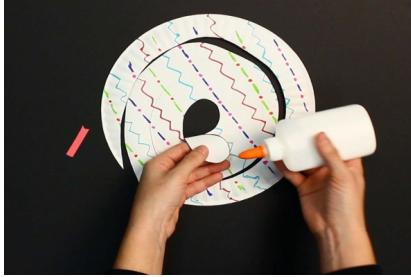

4. **Cut the spiral:** Cut along your spiral until you reach the center. When you're finished cutting you should be able to see the snake you made.

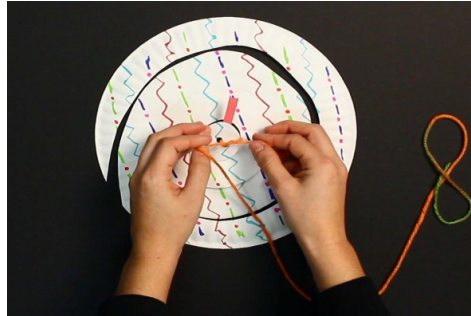

**5. Make a tongue:** Cut out a small red rectangle from red construction paper or use the pattern at the bottom to look more like a serpent's tongue!

**6. Glue the tongue:** Glue this piece at the center (head) where the mouth would be and draw eyes.

**7. Hang it up:** Using hole punch, punch a hole in the center of the head, (trying to avoid the eyes) and tie a piece of yarn.
