

# PENTECOST PINWHEEL

## You will Need:

- A new pencil
- 3 inch pipe cleaner
- Scissors
- Hole puncher
- Glue (something fast drying...glue dots or glue sticks work)
- Paper Pinwheel Template

## Instructions:

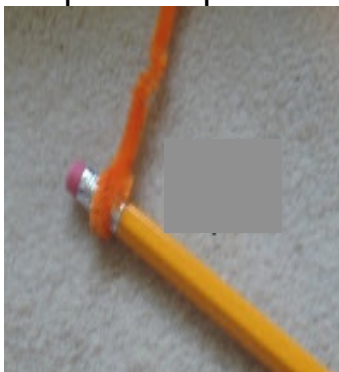

1. Cut out the paper pinwheel square. Cut the diagonal lines. Glue the corners with the dots to the center, one on top of the other. Hold it in place until it's dry.

2. Cut out and glue the “firey” dove to one of the pinwheel peddles. Create one hole through the center of the pinwheel using a hole puncher. Be careful not to crush the pinwheel.

3. Twist the pipe cleaner around the pencil top. Make sure it's tight.

4. Put the pipe cleaner through the pinwheel center. Wrap the end of the pipe cleaner around itself making a ball, but leave space to allow the pinwheel to spin.

Now give it a blow!
