

CLIMBING THE LADDER

Figure out the order in which these events (eleven) happen in the Bible. Put the first underlined letters in order on the ladder rungs. The letters in the rungs will spell the Armenian name of an important event.

Recalling God's promises, Jeremiah warns the people.

On a special morning, the women come to Christ's tomb.

Philistines make life tough for Samson.

Moses receives the Ten Commandments.

Making sure His Disciples know they won't be alone, Christ ascends to heaven.

Zebedee's son James is chosen as Christ's apostle.

The king of Judea - Herod - worries about the new king, Christ.

On a hillside, Jesus teaches the Beatitudes.

Having been sold by his brothers, Joseph is a slave in Egypt.

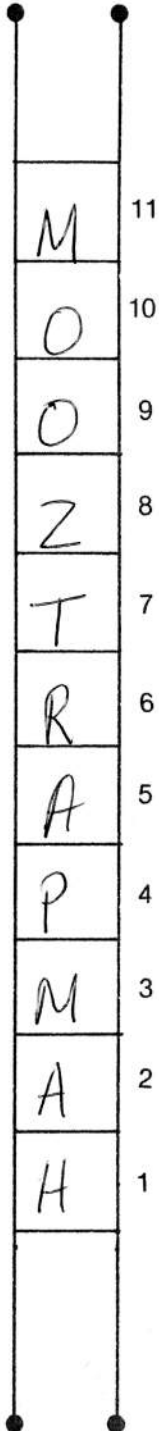

Absalom is the son of King David.

All the Israelites cross the Red Sea.
