

WITH YOUR FAMILY

The Feast of Epiphany is on January 6. On this day, we remember the arrival of the kings from the East who came to visit the baby Jesus. Do you remember the gifts they brought? Find the story in your Bible in **Matthew 2:1-12.**

Invite your family to a special Epiphany celebration!

In your celebration, you could:

sing Christmas carols together, including "We Three Kings"

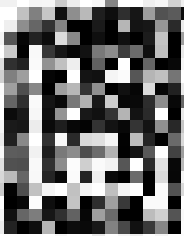

give one small gift, preferably hand-made, to another family member, in honor of the kings who brought gifts to Jesus

keep the tree and other decorations up until this day

carry a lit candle through the house, inviting family members to take turns blessing each room for the year to come
