

Sunday School Crafts

Book of Mark FOLLOWING IN HIS FOOTSTEPS

SCRIPTURE: Mark 3:14 *And he appointed twelve, whom he also named apostles, to be with Him, and to be sent out to proclaim the message,*

ACTIVITY 1

MATERIALS:

- Construction paper
- Pencils/pens
- Scissors

DIRECTIONS:

1. Give each student a piece of construction paper. Have student put their foot/shoe in the middle of the paper and trace around it. Cut out.
2. At the top of the footprint, have students copy Mark 3:14.
3. In the center of the cut out foot/shoe, have student write/draw what it means to be a "Disciple of God." Continue to decorate as you wish.
4. Attach the footprints onto your classroom floor so students will remember each time they enter the room to "walk with God" as a Disciple of Christ!

Follow Jesus

ACTIVITY 2

MATERIALS:

- Colored chalk

DIRECTIONS:

1. Take students outside of the classroom and find an area of sidewalk where students can draw using chalk. *(Someplace where other parishioners walk past would be perfect!)*
2. Before beginning, draw a very large heart someplace on the sidewalk. Copy Mark 3:14 inside the heart.
3. Give each student a piece of chalk. Using the chalk, have student trace their footprints inside of the heart.
4. Once you have all footprints, write around the outside of the heart: "We are all Disciples of God!"
