Funny Feast

When the Pilgrims first came to America they had a hard time surviving, but were thankful to the Indians who helped them. The Indians taught them how to hunt and where to find food. Here is a silly Thanksgiving picture. Circle the 11 things that are not right with this picture.

Funny Feast

When you are invited to a party, you should
never go without a good appetite. In the
beginning of the party, you should eat
the things that are best. You should
not eat anything that is not good.
You should eat what you like.
