

# A Game of Giving

This giving game will remind your students that God blesses generous giving.

## What You Need

- ⇒ spinner, pointer, game rules and coins from pages 29 and 30
- ⇒ crayons
- ⇒ glue
- ⇒ paper fasteners
- ⇒ scissors
- ⇒ paper plates

## Before Class

Duplicate the spinner, pointer, game rules and coins from pages 29 and 30 for each child (each student will need 20 coins). Make a sample game so you can demonstrate the game to the children.

## What To Do

1. Give each student the duplicated items to cut out.
2. Allow the students to color the game board. Instruct them to color each section a different color.
3. Instruct children to glue the game board to the paper plate front and the rules to the back of the plate.
4. Assist in attaching the pointer to the game board with a paper fastener.
5. Form groups of twos or threes to play the game.
