

Sunday School Craft

Steward Grass Head

The Steward in the Parable of the Dishonest Manager told by Jesus was responsible for his master's money. Grow this Steward 'Head of Grass' that is as green as money!

MATERIALS:

- Paper cups
- Dirt
- Grass Seeds
- Wiggle Eyes (or make eyes from construction paper)
- Buttons
- Scissors
- Rubber Band
- Glue
- Sock or Cut Panty hose
- Permanent Marker

PREPARATION:

- Scoop dirt into cups

DIRECTIONS: https://www.youtube.com/watch?v=eiySWm_WxPo - cute, easy to follow video of a child teaching how to make this craft.

1. Fill a paper cut with dirt.
2. Put about 1-2 Tablespoons of grass seeds into the sock/panty hose. Shake so that seeds go to the bottom.
3. Carefully put the sock over the cup of dirt and turn the cup over so all the dirt goes into the sock, covering the seeds.
4. Gather the sock at the bottom of the dirt and secure with a rubber band tightly so that it stays together. It should resemble the shape of a potato.
5. With the rubber band end facing downward, decorate a face using googly eyes, button nose, and draw a mouth with permanent marker. Make glue and ink are everything is dried before moving to next step . . . Soak with water. Place, rubber band opening facing down, into paper cup. Keep watered.
6. After a week, the grass will have grown. When you have a nice "grass head of hair", use scissors to give the "grass head" a fun haircut.
