

## Review Activity for Unit 1

Instructions for the teacher:

1. You will need tape and scissors.
2. Photocopy the table below.
3. Cut the boxes apart
4. Give one of the boxes on the right to each student or pairs of students if you have more than seven students. If you have less than seven students, give more than one box to your best students.
5. Tape the boxes on the left side to the wall in no particular order.
6. Have the students read the box you gave them and match it with a box on the wall by taping their box above the match on the wall.
7. Have every student read all the boxes to themselves. Ask if they are paired correctly. If not, have the class work together to pair them correctly.

<b>Jesus' Life</b>	Jesus was born in Bethlehem. He was baptized by John and started his life of teaching people how God wants us to live. He was crucified and rose to heaven. He prepares a place for us there.
<b>Marked for Life</b>	Living the way God wants us to live is a way to show our love for him. Trying always to be good and kind as Jesus was makes us worthy of our baptism and chrismation.
<b>Miracle Worker</b>	Jesus healed the sick, made the blind see, restored life to some who had died to show his great power. He could change the world with his mercy and love.
<b>Teacher</b>	Love God. Treat others the way you want to be treated. God blesses those who show mercy, who mourn, who do what is right and good.
<b>Savior</b>	Jesus died for us so that we could live a new life with him in God's kingdom of heaven.
<b>The Church Begins</b>	At Pentecost the disciples started on their mission to spread the Good News throughout the world. Thaddeus and Bartholomew came to Armenia. Armenia became the first Christian nation.
<b>We Are Jesus' Disciples</b>	We continue the work of the disciples. We learn about Jesus' life and teachings. We try to live as Jesus wants us to live. We teach others God's ways. We continue the Church.
