

The Holy Trinity

God has always been with us. So that we would not forget him, God came to us in the form of Jesus. God came to us as a man on earth so we would always remember him and his kingdom in heaven. After Jesus was crucified, resurrected and ascended to heaven, we were not left alone. God the Holy Spirit is with us always.

The Holy Trinity is:

1. God the Father
2. God the Son

3. God the Holy Spirit

All three are one God.

The Armenian word for Holy Trinity is: *Soorp Yerortootiun*

When Jesus was baptized, the Holy Trinity was present.

1. God the Father is the voice saying, "This is my beloved Son, in whom I am well pleased."
2. God the Son is Jesus being baptized.
3. God the Holy Spirit is the dove.
