Paper Bag Pig Puppet

Use this simple craft to reinforce a father's love for his child and that God forgives all those who ask for forgiveness.

The story of the Prodigal Son teaches us that the young son began to realize that he had made a big mistake. His only friends were pigs. He had no where to live and nothing but pig's food to eat. He began to see that he should have been happy with what he had at home. He did the wrong thing. He wasted all the money his father gave him. He missed his family and decided to go back home.
