

# Super Joshua!

*Strong, Brave, and Courageous!*

A hero is someone who is courageous and brave. There are heroes and heroines in the Bible. All of them are brave, courageous, and more, but not always in the way you would expect. The hero in our Bible story today is Joshua. What makes him a hero? He served God with his whole heart. Serving God with your whole heart may not sound very heroic, but when we stand firm in our beliefs in God, we will have the strength of a super hero!
