

WHAT'S IT ALL ABOUT?

1. In your own words, define **Christian**.

2. What do you think—**R (right)** or **W (wrong)**?

- If a child's parents are Christian, the child will be a Christian.
- If a person isn't a Christian, that person will go to hell.
- There are many good religions—Christianity is just one of them.
- Once people become Christians, they'll always be Christians.
- If people doubt God or what the Bible says, they can still be Christians.
- The main advantage to being a Christian is going to heaven.
- Christians can disagree with each other about the contents of the Bible.
- The way people live indicates whether or not they are Christians.
- Christians don't have as much fun as non-Christians.

3. Put an **arrow** by those that are necessary for a person to be a Christian.
