

## THE RIGHT ANSWER

It is the new season and the schools are open again for another year of learning and growth.

The first day of Sunday School is a time when we see the friends that we have not seen as frequently during the summer months and we begin a new grade with new texts and exciting things to learn.

But, every once in awhile it is fun and educational to play a game which we might call "The Right Answer", in which we can see what we have already learned.

Begin by splitting the class into two teams. Have each person on a team take his or her turn answering the questions for the team. When they get the right answer the leader should give the appropriate team the point. The following is a group of questions which deal with the Bible and the Armenian Church.
